The Honorable William S. Cohen  
Chairman  
Subcommittee on Oversight of Government Management  
Committee on Governmental Affairs  
United States Senate  
Washington, D.C. 20510

Dear Mr. Chairman:

Thank you for your letter of 10 September 1986 soliciting our views on S. 2756, the "Computer Matching and Privacy Protection Act of 1986." I appreciate your willingness to work with the Agency to ensure that the bill accommodates our concerns.

We have drafted a response to your letter which details the concerns we have with the bill. The response has been provided to OMB for Administration coordination and clearance. I had hoped that we would have received clearance in time to meet the deadline stated in your letter for a response. However, this was not the case and I am informed that it may be quite some time before a final determination is made with respect to our response.

You can be assured that we will closely follow this matter and I look forward to working with you in the next Congress as you develop this bill.

Sincerely,

/s/

David D. Gries  
Director of Congressional Affairs
